

ARC Club Homerton // Covid-19 Guide

ARC Club Homerton is designed for you to feel as confident and as comfortable as you do at home. Even in the context of Covid-19.

But it only works when we work together. So we need your help, please.

- Wash your hands on arrival and make liberal use of the available hand sanitisers throughout the day.
- Respect and maintain social distance. That means no firm handshakes. And absolutely no hugs. (I know, we want to hug you too).
- Follow our one-way space flow system. It's fun when you get used to it.
- Use the floor markers in the canteen and printing area.
- Feel free to do your bit. Our team are ready and eager to help but can only offer emergency intervention at a distance. Think coffee accident.
- Register your guests and keep them in the canteen, unless you have a meeting booked. It will help us manage occupancy of the work area.
- Let us know when you leave a meeting room early. We have scheduled cleans before and after every meeting. But it's never too soon to get our gloves on.
- Wear face masks and PPE if they make you feel comfortable. These are not mandatory for staff or members at ARC Club.
- Report if you have symptoms or have tested positive for Covid-19 by emailing ops@arc-club.com - not in person.

To read more about the measures we are taking to provide a safe work environment at ARC Club Homerton, read our full Covid-19 Action Plan (available on our website).
