

Homerton // Covid-19 Guide

ARC Club Homerton is designed for you to feel as confident and as comfortable as you do at home. Even in the context of Covid-19.

But it only works when we work together. So we need your help, please.

- Wash your hands on arrival and make liberal use of the available hand sanitisers throughout the day.
- Be sure to wear a mask when moving around the space. Additional masks are available.
- Closely observe our one-way space flow system.
- Pick a single workspace seat for the day (the Canteen is always available when you want to mix it up) and let a member of the team know when you leave.
- Ask if you need help finding a seat. We have reconfigured the space to enable greater distancing during lockdown.
- Don't invite guests. Visitors will not be allowed into any area of the space
- If you have booked a room, we ask that you use the specific one that you have booked.
- Please vacate it five minutes before the end of your booking to give the team an opportunity to thoroughly clean.
- If you would like to use an unoccupied room for a quick call, it is important to let a member of the team know so they can clean it afterwards. Check it's available first using the booking calendar.
- Don't forget to clock on & clock off. This allows us to monitor who has shared the space.

To read more about the measures we are taking to create a safe work environment at ARC Club Homerton, read our full Covid-19 Action Plan (available on our website and via QR code).

Feedback, questions and suggestions are warmly welcomed at hello@arc-club.com
